SCAC 758 | Partnership Interest

One Heritage. One Team. One Legacy.

Thank you for your interest in partnering with the Saint Lucia Canada Athlete Council (SCAC). SCAC connects Canadian-based athletes of Saint Lucian heritage with Saint Lucia's national sport associations. Coaches, clubs, schools, businesses and community organizations all have a part to play. SCAC is in its founding stage. This form expresses interest only; it does not create a partnership, agreement or endorsement. SCAC reviews submissions and follows up by email. Your information is kept by SCAC for partnership follow-up and is not shared publicly. SCAC does not publicly name or endorse partners without a written agreement.
